## Tax Preparation on a Higher Level

---

As tax time rolls around again we are aware of the worry and stress that can often accompany this season for many people. If you haven't already, we invite you to join the growing number of Christians nationwide that are using our tax preparation services each year. In our October 2011 Newsletter we featured an article entitled *Why Use a Christian Tax Preparer?*, which outlined some of the special benefits of our tax services:

- **Funding for Ministry:** Each year, 100% of the proceeds from our tax preparation services are donated to ministry. By letting us take that worry and stress out of tax time for you, you are also providing funding for vital ministries.
- **Advice not found elsewhere:** Instead of just a tax return and an invoice, our highly skilled tax preparers and financial advisors are here to provide a tax return and advice. We want to help you understand the whole picture: income tax withholdings, credits, deductions, retirement contributions, and the ever-changing tax laws.
- **Complimentary Reviews:** Our tax clients are entitled to a complimentary financial review session with one of our qualified financial advisors. This reflects a savings of **\$350!**

In addition to these outstanding benefits, we have two special programs in which you're invited to take part:

- **Client Referrals:** The first and easiest way for you to help us spread the word about our Christian Tax Preparation services is by your word-of-mouth referrals! And for each of the new tax clients you send our way, we'll give you a \$20 gift card to The Olive Garden or Amazon.com!\* [Click here to see our Client Referral Program flyer!](#)
- **Partnering Churches:** In addition to supporting various ministries in Christian Education and Foreign Missions through our Christian Tax Preparation Services, this year we are inaugurating a new program by which we can bless churches in our local area, as well. Please [contact our Marketing Manager, Adam Dieffenbach](#), for more information.

\* Your choice of either Olive Garden or Amazon.com. Limit 5 per client.
